

PULBOROUGH PATIENT LINK

Dear Patient

We are pleased to welcome you as a new patient of Pulborough Medical Group and trust that you will also join Pulborough Patient Link (PPL). The PPL acts as a critical and constructive friend of the Practice, speaking on behalf of nearly 13,000 patients. In a recent (February 2014) inspection, the Care Quality Commission approved the Practice on all the standards that it reviewed and praised the role of the PPL.

Overleaf you will find an application form which we hope you will complete. In order to maintain its independence, the PPL does rely on its income from subscribing members, but above all please join so that we can communicate with you.

Yours sincerely

Alyson Heath
Chairman
